PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS:

The purpose of the recommended actions is to provide forensic toxicology services for the County of Los Angeles. Under the Lockyer-Isenberg Trial Court Funding Act of 1997, AB 233, the County of Los Angeles is responsible for the indigent defense program. Indigent defendants are entitled to have defense counsel appointed to represent them in criminal cases. Concomitant to the right of counsel, defendants are entitled to the services of an expert necessary to the preparation of their case. Compensation for such services is paid out of the Treasury of the County of Los Angeles on order of the Superior Court of California (Court). The need for laboratory services arises in the following type of cases, including but not limited to violations of: (1) Health and Safety Code Section 11550, persons charged with being under the influence of controlled substances; (2) Vehicle Code sections dealing with driving while under the influence of alcohol and/or drugs; (3) Health and Safety Code sections dealing with possession of controlled substances; (4) Penal Code Section 647F, dealing with being under the influence of alcohol and/or drugs; and, (5) Business and Profession Code sections dealing with being under the influence of alcohol and/or drugs.

Implementation of Strategic Plan Goals

The recommended Board action is consistent with the Countywide Strategic Plan, Goal No. 1, Service Excellence Strategy No. 1. Implementation of the recommendations will allow the County to continue providing services to indigent defendants who are entitled to have defense counsel appointed to represent them in criminal cases, along with services needed to prepare for their defense.

The recommended action also supports the County's Strategic Plan, Goal No. 4, Fiscal Responsibility, Strategy No. 2. This new contract provides for a single vendor to serve all court locations at fixed reimbursement rates that are consistent with the funding level included in the 2003-04 Proposed Budget of Trial Court Operations.

The recommended Board action also supports the Countywide Strategic Plan, Goal No. 3, Organizational Effectiveness, Strategy No. 1, Implementation of Strategic Management Processes.

FISCAL IMPACT/FINANCING:

The proposed contract sum for a one-year term is estimated at \$183,000, and the contract allows for actual compensation based on the number of samples tested. No

cost will be incurred by the County for tests performed if the initial test result is inaccurate.

Adequate funds are provided in the 2003-04 Trial Court Operations Proposed Budget to finance the contract payments. The proposed contract includes provisions for non-appropriation of funds and budget reductions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In 1988, the Auditor-Controller recommended that the County establish a contract with a laboratory to provide court-appointed drug and alcohol testing services for the courts. This service has been continuously contracted since 1988. The existing contract with FTA, which was set to expire on December 12, 2002, provides lab testing for nine former Los Angeles Municipal Court sites. On December 3, 2002, the Board approved month-to-month extensions for a period of six months to continue services through June 12, 2003. The recommended contract with FTA will provide laboratory-testing services for all court locations within the County of Los Angeles.

The services provided in this contract are of an extraordinary, professional and technical nature and will be provided on an as needed, intermittent basis.

FTA will be responsible for picking up urine and blood samples or other objects (pills, cigarette, etc.) from the arresting authority, obtaining fresh urine samples from defendants in lock-up facilities in the various courts in the County of Los Angeles, testing all samples for drugs and/or alcohol, storing the tested samples for the specified period of time, maintaining confidentiality, preparing and delivering written reports of the results of the test within a specified period of time to the defense counsel, and providing expert court testimony when necessary.

Language in the contract allows the County to monitor FTA's performance and includes penalties for non-performance.

In accordance with Los Angeles County Code Chapter 2.204, Local Small Business Enterprise Preference Program, this solicitation provided appropriate notice of availability of the preference. The recommended contractor stated it was not a Local SBE certified by the County of Los Angeles Office of Affirmative Action Compliance as of the date of the proposal submission. Therefore, SBE preference was not utilized in the evaluation of the sole proposal.

In accordance with the Department of Human Resources memorandum dated

November 16, 1995, the contract has been reviewed in regard to the provisions for hiring displaced County employees. FTA agrees to give first consideration to hire permanent County employees targeted for layoff, or qualified former County employees who are on a re-employment list after the effective date of the contract and during the life of the contract.

In accordance with the Chief Administrative Office memorandum dated October 6, 1997, the contract contains County requirements regarding the hiring of participants in the Greater Avenues to Independence (GAIN) Program.

In accordance with the Auditor-Controller memorandum dated March 2, 2000, the contract contains County requirements regarding contractor non-responsibility and debarment.

The contract is non-Prop A. Consequently, there are no employee relations issues and the contract will not result in a reduction of County services.

The County evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract.

The County will not request the contractor to perform services, which exceed the Board approved contract amount, scope of work, and/or contract dates.

In accordance with the recently adopted Employee Jury Service Program, the contract contains County requirements regarding the provision of paid jury service time for their employees.

In accordance with the Chief Administrative Office memorandum dated July 19, 2002, the proposed contractor has been instructed to register on WebVen.

CONTRACTING PROCESS:

To solicit for the services, a comprehensive Request for Proposals (RFP) process was conducted. Through the solicitation and competitive negotiation process, approximately 49 letters were sent to service providers. Advertisements were placed in the Los Angeles Times, Eastern Group Publications, Los Angeles Sentinel, and the County's Office of Small Business web site. As a result, five potential providers requested copies of the RFP, one potential provider attended the mandatory bidder's conference, and one proposal was received.

The proposal was reviewed using an initial screening “pass/fail” process to determine if the proposal met the minimum requirements. The initial screening was consistent with the Selection Process and Evaluation Criteria set forth in the RFP. The proposal submitted by FTA was objectively evaluated on the strengths and weaknesses of critical categories to the services to be provided and consistent with the factors identified in the RFP.

FTA is being recommended because their proposal was responsive and deemed beneficial to the County based on their planned level of service and capability.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Approval of the recommended actions will fulfill the County’s obligation under AB 233 to provide indigent defendants with expert services necessary to prepare for their cases.

PERFORMANCE WORK STATEMENT

1.0 **GENERAL**

1.1 Scope of Work

CONTRACTOR shall be responsible for picking up urine and blood samples or other objects (pills, cigarette, etc.) from the arresting authority, obtaining fresh urine samples from defendants in lock-up facilities in the various courts in the County of Los Angeles, testing all samples for drugs and/or alcohol, storing the tested samples for the specified period of time, maintaining confidentiality, preparing and delivering written reports of the results of the test within a specified period of time to the defense counsel; and, providing expert court testimony when necessary.

2.0 **SPECIFIC TASKS/PERFORMANCE OBJECTIVES**

The CONTRACTOR shall provide the following:

- 2.1 CONTRACTOR shall furnish court ordered forensic toxicology services for indigent defendants and their defense counsel. Specific services to be provided are as follows:

2.1.1 Court Order

The services of a laboratory are initiated by the issuance of a Court Order appointing the laboratory to a case. The Court Order will instruct the CONTRACTOR to obtain a fresh sample from the defendant and/or a split sample from the law enforcement agency

and instruct the laboratory to analyze the sample to detect the presence of drugs/controlled substances and/or alcohol.

With respect to Court Orders for fresh samples, the CONTRACTOR and Site Judge at each location will develop procedures by which the court order will be provided and when the sample will be taken.

2.1.2 Fresh Samples

2.1.2.1 CONTRACTOR shall send a representative to the Airport, Alhambra, Bauchet, Bellflower, Beverly Hills, Burbank, Chatsworth, Compton, Downey, East Los Angeles, El Monte, Glendale, Hollywood, Huntington Park, Inglewood, Long Beach, Malibu, Metropolitan, Norwalk, Pasadena, Pomona, San Fernando, San Pedro, Santa Clarita, Santa Monica, Torrance, West Covina, West Los Angeles, Whittier, Eastlake Juvenile Justice Center, Kenyon Juvenile Justice Center, Los Padrinos Juvenile, and Sylmar Juvenile Branch Courts when called. COUNTY reserves the right to add/remove court sites, as necessary, based upon the needs of the COUNTY.

2.1.2.2 The CONTRACTOR representative shall arrive at the Court between 3:00 p.m. and 3:30 p.m. and remain at the Court each day, as called, until all orders for that day have been collected and samples have been taken but not later than 6:30 p.m. This does not include night court. In the event the CONTRACTOR representative is unable to obtain a urine sample from the defendant, the CONTRACTOR shall indicate on the Court Order the reason it was unable to obtain a sample and immediately return the Court Order to the defense attorney. The CONTRACTOR will not charge for these non-pickup cases. If the CONTRACTOR representative does not obtain a sample on a particular day, the CONTRACTOR may propose a minimum charge for the time and effort expended in sending a representative to the Court on that day. The minimum charge shall be a reasonable amount that is mutually agreed upon between the COUNTY and the CONTRACTOR. The minimum charge shall be the sole compensation that the CONTRACTOR shall be entitled to when the CONTRACTOR representative does not

obtain a sample on a particular day. The CONTRACTOR shall be aware of rather wide fluctuations up and down the scale in both daily and monthly sample submittals.

2.1.3 Split Samples

CONTRACTOR will receive Court Orders from appointed defense counsel requiring a split sample. CONTRACTOR shall service the Orders for split sample at the appropriate law enforcement agency's criminalistic laboratory within two (2) business days of its receipt. The CONTRACTOR shall pickup and test the split samples. The CONTRACTOR must provide personnel to witness splitting of evidence specimens at the appropriate laboratory. CONTRACTOR may propose a minimum handling charge in the event it is not able to obtain split sample from the arresting authority. The minimum handling charge shall be a reasonable amount that is mutually agreed upon between the COUNTY and CONTRACTOR. The minimum handling charge shall be the sole compensation that the CONTRACTOR shall be entitled to when the CONTRACTOR is unable to obtain a split sample from the arresting authority.

2.1.4 Urine Samples Obtained by Defense Counsel

CONTRACTOR will receive requests from appointed defense counsel to analyze urine specimens obtained from defendants by defense counsel at the various COURT locations listed in Attachment B. CONTRACTOR shall send a messenger to the appointed defense counsel's office within one (1) business day of the request to pick up the urine specimen(s). CONTRACTOR shall make available to the defense counsel the necessary supplies (i.e., vials with minimum capacity of ninety (90) milliliters, sealing tape, identification labels and chain of custody checklist) to enable counsel to obtain urine samples and to initial procedures to assure sample integrity and identity.

2.1.5 Quality and Type of Testing Service

2.1.5.1 Drug Screening and/or Testing

CONTRACTOR shall provide drug screening at the sensitivity levels for the various drugs listed in Attachment P and in accordance with the Court Order. The CONTRACTOR shall use a screening method equivalent to the method used by law enforcement.

Specimens screened positive for a drug or group of drugs shall be automatically confirmed and specifically identified by an analytical method. Testing protocol must be designed to detect drug use as opposed to simply the presence or absence of a parent drug. CONTRACTOR must be registered with the Federal Drug Enforcement Agency for handling all schedules of controlled substances.

2.1.5.2 Alcohol Analysis

2.1.5.2.1 CONTRACTOR must have a current State of California Forensic Alcohol Laboratory License and all alcohol analysis must be performed by a State Certified Forensic Alcohol Analyst.

2.1.5.2.2 Methods of alcohol analysis shall meet the following standards of performance:

- a) The method shall be capable of the analysis of a reference sample known alcohol concentration within accuracy and precision limits of plus or minus five percent ($\pm 5\%$) of the value; these limits shall be applied to alcohol concentrations which are 0.08 grams per 100 milliliters or higher.
- b) The method shall be capable of the analysis of ethyl alcohol with a specificity which is adequate and to that of traffic law enforcement.
- c) The method should be free from interference from anticoagulants and preservatives added to the sample.
- d) The method shall give a test result which is always less than 0.01 grams of alcohol per 100 milliliters of blood when subjects free from alcohol are tested.
- e) All instruments used for alcohol analysis shall be in good working

order and routinely checked for accuracy and precision.

2.1.5.2.3 Analytical results shall be expressed according to the following provisions:

- a) All analytical results shall be expressed in terms of the alcohol concentration in blood, based on the number of grams of alcohol per 100 milliliters of blood. The symbols, "grams %", "%", and "% (W/V)" are acceptable abbreviations of the phrase, grams per 100 milliliters of liquid.
- b) Analytical results shall be reported to the second decimal place, deleting the digit in the third decimal place when it is present.
- c) Blood alcohol concentrations less than 0.01% may be reported as negative.
- d) A urine alcohol concentration shall be converted to an equivalent blood alcohol concentration by a calculation based on the following relationship; the amount of alcohol in 1.3 milliliters of blood is equivalent to the amount of alcohol in 1 milliliter of urine.

2.1.5.3 Miscellaneous Testing

Occasionally, CONTRACTOR will receive court orders requesting the following analyses:

2.1.5.3.1 Quantitative or semi-quantitative analysis of blood or urine for all drugs.

2.1.5.3.2 Blood typing; comparison, including ABO and isoenzyme analysis on defendant's fresh blood and preserved evidence samples. Laboratory must provide personnel to witness, collect, and transfer fresh blood samples from defendant.

2.1.5.3.3 Analysis of objects to determine the presence/quantity of controlled substances.

2.1.5.4 Quality Control

The laboratory shall maintain 100% accuracy for each drug on Attachment P. CONTRACTOR shall maintain an ongoing in-house quality control program sufficiently extensive to provide evidence of this accuracy on a daily basis. Such quality control procedures shall include, but not be limited to:

2.1.5.4.1 Methods of determination of accuracy;

2.1.5.4.2 Methods of determining reproducibility;

2.1.5.4.3 Publication of detailed procedure manuals for tests performed in laboratory; and

2.1.5.4.4 Periodic publication of normal ranges.

Laboratory must maintain complete and accurate notes as to all tests performed on evidence samples, including dates, analyst, types of tests, sensitivities, controls run, interpretation, etc.

2.1.6 Reporting Procedures and Standards

The CONTRACTOR shall submit a standardized written report to the subject's defense attorney on all samples obtained as a result of a Court Order. The report in the instance of a drug screening shall be in terms of positive (+) or negative (-) for each sample obtained. The report in the instance of blood/alcohol ratio shall be in terms of percent (%), by weight, of alcohol in the subject's blood. Percent, by weight, of alcohol shall be based upon grams of alcohol per 100 milliliters of blood. All analytical results shall be reported in terms of generic or chemical name of any drug found to be present.

All test results shall be made by mail, postmarked within seventy-two (72) hours of pickup of samples by the CONTRACTOR'S representative, excluding Saturdays, Sundays, and holidays. The test

results shall be mailed to the subject's appointed attorney. CONTRACTOR shall provide results within twenty-four (24) hours on a "rush" basis. Proposals may include a premium charge for such orders.

2.1.7 Storage of Samples

The CONTRACTOR shall save and store all samples analyzed until final disposition of the subject's case in the criminal courts or for a minimum of five (5) years. Samples shall be stored by CONTRACTOR in a manner that will assure valid, reliable results when retested.

2.1.8 Procedures for Sample Integrity

The CONTRACTOR shall establish processing procedures (including labeling, logging in, tagging, record keeping, security control) that will assure the authenticity and identity of the sample by completing a "chain of custody" checklist at each step of handling the sample; from first obtaining the sample, to analyzing the sample, and then storing the sample.

2.1.9 Consultation

The CONTRACTOR shall provide, without further charge, consultation services to defense counsel regarding said source and/or effect of a particular drug (i.e., prescription, metabolism, etc.). CONTRACTOR experts must be available by telephone to discuss medical/legal implications of laboratory results with defense counsel.

Compensation for consultation provided by experts or consultants will not exceed COURT'S policy on compensation of appointed experts (currently at \$75.00/hour). *Services (such as clerical aid) provided in conjunction with preparation of testimony will be charged at a separate hourly rate in accordance with CONSULTANT'S Catalog of Services.*

2.1.10 Retest of Samples

The CONTRACTOR shall retest samples when requested by the COURT location submitting the sample when that location has a reasonable doubt of the reliability of the original result and the re-

testing shall be at the expense of the CONTRACTOR if the second result differs from the original test finding.

2.2 General Requirements

2.2.1 The laboratory shall be staffed full-time with sufficient numbers of persons holding Bachelor of Science degrees, and with clinical laboratory technologists licensed by the California State Department of Public Health, as well as other laboratory and clerical personnel commensurate with the quantity of tests performed in the laboratory.

2.2.2 CONTRACTOR'S personnel must have a minimum of two (2) years in the past five (5) years experience in the area of forensic toxicology.

2.2.3 Male and Female Representatives

Male CONTRACTOR representatives shall be sent to obtain urine samples from male subjects. Female CONTRACTOR representatives shall be sent to obtain urine samples from female subjects. CONTRACTOR will be notified when a female representative is needed.

2.2.4 Court Testimony by Contractor's Representatives

If required by defense counsel, all CONTRACTOR personnel including analysts, couriers, custodians of records, etc. shall attend scheduled criminal court hearings to give testimony concerning chain of custody, handling of samples, the testing method(s) used, and reliability and results of each analyses. Such personnel shall be available for court testimony on the basis of a four (4) hour advanced call.

2.3 COUNTY Submission of Test Samples

COUNTY reserves the right to submit "salted" urine samples and blood samples, without notice, to determine the quality of analysis service provided by CONTRACTOR.

COUNTY reserves the right to send limited numbers of tests within the contract period to laboratories other than the contracting laboratory.

2.4 Monthly Self-Monitoring Report

CONTRACTOR shall produce at the end of each month informational reports that indicate the level and type of services rendered to COUNTY. CONTRACTOR shall forward this report to the COUNTY'S Contract Manager by the 10th working day of the following month for which the services were rendered. Report format and content is subject to final COUNTY review and approval.

2.5 Court Site Locations

COURT locations where the CONTRACTOR will be required to service are listed in Attachment B. COUNTY reserves the right to add/remove court sites, as necessary, based upon the needs of the COUNTY.

2.6 CONTRACTOR shall perform to the standards in Attachment C, Performance Requirements Summary.

2.7 Provision of Transportation and Communications Expense

CONTRACTOR shall pay all postal and other forwarders' fees in connection with the contract. Long-distance telephone communications shall be provided by CONTRACTOR at no cost to the COUNTY.

2.8 Safeguards and Security Controls of Records and Samples

CONTRACTOR shall maintain all necessary safeguards, records, controls, and security relative to the handling and processing of all samples for a period of five (5) years to assure their availability to defense counsel in the event the result of any analysis is to be presented as evidence in court. Security methods to be employed by bidder shall be defined in the proposal and will become part of the eventual contract.

2.9 Exclusive Agreement

COUNTY and CONTRACTOR further agree and understand that this agreement does not give COUNTY exclusive right to have CONTRACTOR perform all laboratory testing requested by appointed defense counsel in the courts of Los Angeles County, in that CONTRACTOR is occasionally retained by the Prosecutor to perform testing on cases prior to receiving requests from defense counsel.

As a threshold requirement for consideration for contract award, CONTRACTORS shall demonstrate a proven record of hiring GAIN/GROW participants or shall attest to a willingness to consider GAIN/GROW participants for any future employment opening if they meet the minimum qualifications for that opening. The term of the contract may also be extended beyond the stated expiration date on a month-to-month basis, for a period of time not to exceed six (6) months, upon the written request of the Chief Administrative Officer and the written concurrence of CONTRACTOR. 7.0 TAX LIABILITY LIMITATION

COUNTY shall have no liability or responsibility for any taxes, including, without limitation, sales, income and/or property taxes, which may be imposed in connection with, or resulting from this contract or CONTRACTOR'S performance hereunder.

Such claim and invoice shall be submitted promptly, but not later than three (3) months from the effective date of termination. Upon failure of CONTRACTOR to submit his termination claim and invoice within the time allowed, COUNTY may determine on the basis of information available to COUNTY, the amount, if any, due to CONTRACTOR in respect to the termination and such determination shall be final. After such determination is made, COUNTY shall pay CONTRACTOR the amount so determined.

Said amount may include a reasonable allowance for profit on work done but shall not include an allowance on work terminated. - 9.2 In the event COUNTY terminates this contract in whole or in part as provided in this section, COUNTY may procure, upon such terms and in such a manner, as COUNTY may deem appropriate, services similar to those terminated, and CONTRACTOR shall be liable to COUNTY for any excess costs for such similar services.
- 9.3 If, after notice of termination of this contract under provision of this clause, it is determined for any reason that CONTRACTOR was not in default under the provisions of this clause or that the default was excusable, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the "Termination for Convenience of the County".

In the event of such termination, COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by CONTRACTOR.

CONTRACTOR shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

Failure of CONTRACTOR to maintain compliance with the requirements set forth in Section 12.0, "CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM" shall constitute a default by CONTRACTOR under this contract. Without limiting the rights and remedies available to COUNTY under any other provision of this contract, failure to cure such default within ninety (90) days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the County Board of Supervisors may terminate this contract pursuant to Section 9.0 TERMINATION FOR DEFAULT OF CONTRACTOR.

14.0 CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO CHILD SUPPORT ENFORCEMENT

CONTRACTOR acknowledges that COUNTY places a high priority on the enforcement of child support laws and the apprehension of child support evaders. CONTRACTOR understands that it is COUNTY'S policy to encourage all COUNTY contractors to voluntarily post COUNTY'S "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at CONTRACTOR'S place of business. COUNTY'S Child Support Services Department will supply CONTRACTOR with the poster to be used.

15.2 CONTRACTORS are hereby notified that, in accordance with Chapter 2.202 of the County Code (Attachment O), the COUNTY may determine whether the CONTRACTOR is responsible based on a review of the CONTRACTOR'S performance on any contracts, including but not limited to COUNTY contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the CONTRACTOR against public entities. Labor law violations which are the fault of subcontractors and of which the

CONTRACTOR had no knowledge shall not be the basis of a determination that the CONTRACTOR is not responsible.

- 15.3 The COUNTY may declare a CONTRACTOR to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the CONTRACTOR has done any of the following: (1) committed any act or omission which negatively reflects on the CONTRACTOR'S quality, fitness or capacity to perform this contract with the COUNTY or a contract with any other public entity, or engaged in a pattern or practice which negatively reflects on same, (2) committed an act or omission which indicates a lack of business integrity or business honesty, or (3) made or submitted a false claim against the COUNTY or any other public entity.
- 15.4 If there is evidence that the highest ranked CONTRACTOR may not be responsible, the Department shall notify the CONTRACTOR in writing of the evidence relating to the CONTRACTOR'S responsibility, and its intention to recommend to the Board of Supervisors that the CONTRACTOR be found not responsible. The Department shall provide the CONTRACTOR and/or the CONTRACTOR'S representative with an opportunity to present evidence as to why the CONTRACTOR should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation. If the CONTRACTOR fails to avail itself of the opportunity to rebut the Department's evidence, the CONTRACTOR may be deemed to have waived all rights of appeal.
- 15.5 If the CONTRACTOR presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the CONTRACTOR shall reside with the Board of Supervisors.
- 15.6 These terms shall also apply to subcontractors of CONTRACTORS on COUNTY contracts.

16.0 CONTRACTOR DEBARMENT

- 16.1 The CONTRACTOR is hereby notified that, in accordance with Chapter 2.202 of the COUNTY Code (Attachment O), the COUNTY may debar the CONTRACTOR from bidding on other COUNTY contracts for a specified period of time, not to exceed three (3) years, and the COUNTY may terminate any or all of the CONTRACTOR'S existing contracts with COUNTY, if the Board of Supervisors finds, in its discretion, that the CONTRACTOR has done any of the following: (1) violated any term of a

contract with the COUNTY, (2) committed any act or omission which negatively reflects on the CONTRACTOR'S quality, fitness or capacity to perform a contract with the COUNTY or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the COUNTY or any other public entity.

- 16.2 If there is evidence that the highest ranked CONTRACTOR may be subject to debarment, the Department shall notify the CONTRACTOR in writing of the evidence, which is the basis for the proposed debarment, and shall advise the CONTRACTOR of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 16.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The CONTRACTOR and/or the CONTRACTOR'S representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the CONTRACTOR should be debarred, and, if so, the appropriate length of time of the debarment. If the CONTRACTOR fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the CONTRACTOR may be deemed to have waived all rights of appeal.
- 16.4 A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- 16.5 These terms shall also apply to proposed subcontractors of CONTRACTOR on COUNTY contracts.

17.0 LIMITATION OF COUNTY'S OBLIGATION DUE TO NON-APPROPRIATION

COUNTY'S obligation is payable only and solely from funds appropriated for the purpose of this contract. All funds for payments after June 30th of the current fiscal year are subject to COUNTY'S legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action. In the event this contract extends into succeeding fiscal year periods, and, if the Board of Supervisors does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected services shall be terminated as of June

30th of the then current fiscal year. COUNTY shall notify CONTRACTOR in writing of such non-allocation at the earliest possible date.

18.0 INDEPENDENT CONTRACTOR STATUS

This contract is by and between the County of Los Angeles and CONTRACTOR and is not intended and shall not be construed to create a relationship of agent, servant, employee, joint venture, or association as between COUNTY and CONTRACTOR. CONTRACTOR understands and agrees that all persons furnishing services to COUNTY pursuant to this contract are, for purposes of Workers' Compensation liability, employees solely of CONTRACTOR and not employees of COUNTY. CONTRACTOR shall bear the sole responsibility and liability for furnishing Workers' Compensation benefits to any person for injuries arising from or connected with services performed on behalf of CONTRACTOR pursuant to this contract.

19.1 No performance of this contract or any portion thereof may be subcontracted by CONTRACTOR without the express written consent of COUNTY. In the event of such a breach, this contract may be terminated forthwith.

19.2 In the event COUNTY should consent to subcontracting, each and all of the provisions of this contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties.

19.3 In the event that COUNTY should consent to subcontracting, the CONTRACTOR shall include in all subcontracts the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles. - 37.2 CONTRACTOR shall take action to ensure that qualified applicants are employed and that employees are treated during employment without

- 37.4 CONTRACTOR shall give COUNTY representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by COUNTY.
- 37.5 If COUNTY finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which COUNTY may determine to cancel, terminate, or suspend this contract. While COUNTY reserves the right to determine independently that the anti-discrimination provisions of this contract have been violated, in addition, a determination by the California Fair Employment Practices Commission of the Federal Equal Employment Opportunity Commission that CONTRACTOR has violated State and Federal anti-discrimination laws or regulations shall constitute a finding by COUNTY that CONTRACTOR has violated the anti-discrimination provisions of this contract.
- 37.6 The parties agree that in the event CONTRACTOR violates the anti-discrimination provisions of this contract, COUNTY shall, at its option, be entitled to a sum of five hundred dollars (\$500.00) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating or suspending this contract.

COUNTY'S notice to CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) days of the Board's approval of such actions. CONTRACTOR shall continue to provide all of the services set forth in the contract.

This contract is subject to the provisions of the COUNTY'S ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles

County Code, a copy of which is attached hereto as Attachment N and incorporated by reference into and made a part of the contract.

46.2 Written Employee Jury Service Policy

46.2.1 Unless CONTRACTOR has demonstrated to the COUNTY'S satisfaction either that CONTRACTOR is not a "CONTRACTOR" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that CONTRACTOR qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from the CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the CONTRACTOR or that the CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.

46.2.2 For purposes of this Section, "CONTRACTOR" means a person, partnership, corporation or other entity which has a contract with the COUNTY or a subcontract with a COUNTY CONTRACTOR and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more COUNTY contracts or subcontracts. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- 46.2.3 If CONTRACTOR is not required to comply with the Jury Service Program when the Contract commences, CONTRACTOR shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and CONTRACTOR shall immediately notify COUNTY if CONTRACTOR at any time either comes within the Jury Service Program’s definition of “CONTRACTOR” or if CONTRACTOR no longer qualifies for an exception to the Program. In either event, CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The COUNTY may also require, at any time during the Contract and at its sole discretion, that CONTRACTOR demonstrate to the COUNTY’S satisfaction that CONTRACTOR either continues to remain outside of the Jury Service Program’s definition of “CONTRACTOR” and/or that CONTRACTOR continues to qualify for an exception to the Program.

- 46.2.4 CONTRACTOR’S violation of this Section of the contract may constitute a material breach of the contract. In the event of such material breach, COUNTY may, in its sole discretion, terminate the Contract and/or bar CONTRACTOR from the award of

future COUNTY contracts for a period of time consistent with the seriousness of the breach.

47.0 MERGER

PERFORMANCE REQUIREMENTS SUMMARY

This Exhibit lists the required services, which will be monitored by the COUNTY during the term of this Contract; the required standard of performance; the maximum deviation from the standard which can occur before damages can be assessed; the method of County surveillance; and the monetary damages for exceeding the maximum deviation.

Quality Assurance

On an on-going basis, Contractor performance will be compared to the Contract standards.

COUNTY may use a variety of inspection methods to evaluate the CONTRACTOR'S performance. The methods of surveillance, which may be used, but not limited to, are:

User complaints

Random inspections

Random samplings

Information for Contractor reports

Criteria for Determination of Monetary Damages

CONTRACTOR shall invoice COUNTY monthly, in arrears, as referenced in Part A, Section 8.0, "Contract Payment". Payments will be made monthly and only for those services rendered within the acceptable quality levels as set forth in the Performance Requirement Summary section in the RFP (Refer to Attachment C, Section 5.0, INVOICES AND PAYMENTS).

If performance of service is unacceptable as determined by COUNTY and the unacceptable performance was not caused by COUNTY personnel, COUNTY will not be obligated to pay the full percentage for that service when performance does not conform with the requirements of this Contract. The COUNTY shall have the right to reduce the contract price to reflect the reduced value of the service provided.

COUNTY will make every reasonable effort to resolve problems. When the performance is unacceptable, COUNTY will complete a Contract Discrepancy Report (CDR). The CDR will require the CONTRACTOR to respond in writing, and explain the unacceptable performance, as well as how recurrence of the problem will be prevented. The Contract

Manager will evaluate the CONTRACTOR'S explanation and determine if full payment, partial payment, or the contract termination process is applicable.

When an instance of unacceptable performance comes to the attention of COUNTY personnel or clients, who are recipients of the services provided by the Contract, a User Complaint Form (UCR) may be filled out and forwarded to the Quality Assurance Evaluator. The complaint will be investigated, if necessary, and may be brought to the attention of the CONTRACTOR. The receipt of one or more UCRs concerning a particular area of performance may result in a formal examination of the CONTRACTOR'S performance in this area.

The assessment of monetary damages against the CONTRACTOR for unacceptable services shall be calculated as shown on the Performance Requirement Summary (PRS) Chart.

For services monitored by random inspections, random samplings, or user complaints, the figure in column 6 (Deduction from Contract Price) of the PRS Chart is multiplied by the number of unacceptable instances, which exceed the AQL in Column 4. The resulting dollar amount is the amount of the monetary damages for performance variance which shall be assessed CONTRACTOR.

Corrective Action

The CONTRACTOR shall be required to immediately correct those activities found by COUNTY to be unacceptably performed at no additional cost to County.

Chapter 2.203 CONTRACTOR EMPLOYEE JURY SERVICE**2.203.010 Findings.**

The Board of Supervisors makes the following findings: The COUNTY of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the COUNTY of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the COUNTY of Los Angeles has determined that it is appropriate to require that the businesses with which the COUNTY contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county.
- D. "Full time" means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer.
- E. "County" means the county of Los Angeles or any public entities for which the board of supervisors is the governing body. (Ord. 2002-0015 § 1 (part), 2002)

2.203.030 Applicability.

This chapter shall apply to contractors who enter into contracts that commence two or more months after the effective date of this chapter. This chapter shall also apply to contractors with existing contracts, which are extended into option years that commence two or more months after the effective date of this chapter. (Ord. 2002-0015 § 1 (part), 2002)

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002)

2.203.050 Other Provisions.

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract. (Ord. 2002-0015 § 1 (part), 2002)

2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,
2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

2.203.070. Exceptions.

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
 - 1. Has ten or fewer employees during the contract period; and,
 - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
 - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

(Ord. 2002-0015 § 1 (part), 2002)

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. (Ord. 2002-0015 § 1 (part), 2002)

**Chapter 2.202 DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY AND
CONTRACTOR DEBARMENT**

2.202.010 Findings and Declarations.

The board of supervisors finds that, in order to promote integrity in the county's contracting processes and to protect the public interest, the County's policy shall be to conduct business only with responsible contractors. Determinations of contractor non-responsibility and contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the auditor-controller. (Ord. 2000-0011 § 1 (part), 2000.)

2.202.020 Definitions.

For purposes of this chapter, the following definitions apply:

- A. "Contractor" means a person, partnership, corporation or other entity who has contracted with, or is seeking to contract with, the county to provide goods to, or perform services for or on behalf of, the county. A contractor includes a contractor, subcontractor, vendor, or any person or entity who or which owns an interest of 10 percent or more in a contractor, subcontractor or vendor.
- B. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county.
- C. "Debarment" means an action taken by the county which results in a contractor being prohibited from bidding upon, being awarded, and/or performing work on a contract with the county for a period of up to three years. A contractor who has been determined by the county to be subject to such a prohibition is "debarred."
- D. "Department head" means either the head of a department responsible for administering a particular contract for the county or the designee of same.
- E. "County" means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, nonprofit corporations created by the county and any joint powers authorities that have adopted county contracting procedures.
- F. "Contractor hearing board" means the persons designated to preside over contractor debarment hearings and make recommendations on debarment to the board of supervisors. (Ord. 2000-0011 § 1 (part), 2000.)

2.202.030 Determination of Contractor Non-Responsibility.

- A. Prior to a contract being awarded by the county, the county may determine that a party submitting a bid or proposal is non-responsible for purposes of that contract. In the event that the county determines that a bidder/proposer is non-responsible for a particular contract, said bidder/proposer shall be ineligible for the award of that contract.
- B. The county may declare a contractor to be non-responsible for purposes of a particular contract if the county, in its discretion, finds that the contractor has done any of the following: (1) committed any act or omission which negatively reflects on the CONTRACTOR'S quality, fitness or capacity to perform a contract with the county or any other public entity, or engaged in a pattern or practice which negatively reflects on same; (2) committed an act or omission which indicates a lack of business integrity or business honesty; or (3) made or submitted a false claim against the county or any other public entity.
- C. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed non-responsibility determination, and shall advise the contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The contractor and/or attorney or other authorized representative of the contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be found non-responsible with respect to the contract(s) at issue. A record of the hearing, the proposed decision and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the department head. A non-responsibility finding shall become final upon approval by the board of supervisors.
- D. The decision by the county to find a contractor non-responsible for a particular contract is within the discretion of the county. The seriousness and extent of the CONTRACTOR'S acts, omissions, patterns or practices as well as any relevant

mitigating factors may be considered by the county in determining whether a contractor should be deemed non-responsible. (Ord. 2000-0011 § 1 (part), 2000.)

2.202.040 Debarment of Contractors.

- A. The County may debar a contractor who has an existing contract with the county and/or a contractor who has submitted a bid or proposal for a new contract with the County.
- B. The County may debar a contractor if the county finds, in its discretion, that the contractor has done any of the following: (1) violated any term of a contract with the County; (2) committed any act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the county or any other public entity, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.
- C. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed debarment, and shall advise the contractor that a debarment hearing will be scheduled on a date certain. The contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.
- D. The decision by the County to debar a contractor is within the discretion of the county. The seriousness and extent of the Contractor's acts, omissions, patterns or practices as well as any relevant mitigating factors may be considered by the County in making any debarment decision. Upon a debarment finding by the

board of supervisors, the County shall have the right, in its discretion, to determine the length that the contractor may be prohibited from bidding upon and being awarded a new contract with the County, which period may not exceed three years. In addition, upon a debarment finding by the board of supervisors, the County may, in its discretion, terminate any or all existing contracts the contractor may have with the County. In the event that any existing contract is terminated by the county, the County shall maintain the right to pursue all other rights and remedies provided by the contract and/or applicable law. (Ord. 2000-0011 § 1 (part), 2000.)

2.202.050 Pre-emption.

In the event any contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control. (Ord. 2000-0011 § 1 (part), 2000.)

2.202.060 Severability.

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby. (Ord. 2000-0011 § 1 (part), 2000.)
